Public Strategies, Inc. is a privately held, small, woman-owned business with corporate offices located in Oklahoma City, Oklahoma. Founded in 1990, Public Strategies has distinguished itself as an elite project management and strategic planning firm, capable of managing a wide array of national and state programs, as well as government contracts. Public Strategies meets the distinct needs of clients by providing strategic planning, project management, program development and facilitation services to commercial and government clients. Our services are based on strategies to increase management performance by facilitating problem solving and dispute resolution in organizations. Our culturally diverse team is made up of more than 200 full- and part-time project managers and coordinators, policy specialists, marketing professionals and business administrative staff. Mary Myrick, President and CEO, has experience in providing management consulting services for clients in the commercial and government sectors. Chief Operating/Chief Financial Officer Sammye Cravens is a CPA with experience in managing cash flow and treasury functions, while overseeing day to day operations in close consultation with Ms. Myrick.

541611 Integrated Consulting Services

Public Strategies has 30 years of corporate experience providing management consulting, strategy consulting, program planning, facilitation services and executive/management coaching services. Our knowledgeable team employs effective planning strategies to define and evaluate goals and assist with implementation of plans to improve processes. Public Strategies' senior staff and project managers are highly experienced in this area, providing expert advice and guidance in support of agencies' mission-oriented business functions. Our project managers and consultants work to develop an understanding of each element of the project and how those elements fit into the client's management strategy program. Public Strategies can assist in defining, refining and resolving disputes, disagreements and divergent views within agencies and organizations. Public Strategies has demonstrated experience building healthy partnerships to support the development of quality work products by facilitating group discussions to identify and resolve disputes.

541611 Integrated Business Program Support Services

Public Strategies has 30 years of experience providing services to State and Federal clients in areas of project planning and scheduling, performance monitoring and measurement, reporting and documentation, stakeholder briefings, and program integration.

The Service Contract Labor Standards (SCLS) is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS due to exemptions for professional employees (FAR 22.1101, 22.1102 AND 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS eligible labor categories. If and/or when the Contractor adds SCLS labor categories/employees to the contract through the modification process, the Contractor must inform the Contracting Officer and establish a SCLS matrix identifying the GSA labor category titles, the occupational code, SCLS labor category titles and the applicable WD number. Failure to do so may result in the cancellation of the contract.

Project Coordinator

Assists in the implementation of project activities. Provides support by coordinating execution of day-to-day project logistics. Assists in the preparation of presentations, documents and materials. Performs data collection (survey work, library research, computer research)
